Please donate to the Alison Jolly Madagascar Scholarship

...which aims to fund one student a year from Madagascar to take the course in Endangered Species Recovery offered by Durrell Conservation Academy in Mauritius. The course provides field experience and skills in species and human resource management, enabling its graduates to run wildlife conservation projects. Following a month of tuition in conservation biology in the classroom, the students join our teams in the field in Mauritius for three months of practical experience in species and habitat recovery.

For more information on the course please see

I confirm I am a UK taxpayer and have paid or will pay an amount of Income Tax and/or Capital Gains Tax for the current tax year (6 April to 5 April) that is at least equal to the amount of tax that all the charities and Community Amateur Sports Clubs (CASCs) that I donate to will reclaim on my gifts for the current tax year. I understand that other taxes such as VAT and Council Tax do not qualify. I understand the charity will reclaim 25p of tax on every £1 that I have given.

If you would like to make your donation in US Dollars, please do so, as Durrell maintains a US Dollar account. There is as yet no US-based non-profit aiding Durrell through tax exempt donations, but American Friends of Durrell is in the process of being established as a 501(c)(3) organisation and hopes to be operational by mid 2014. If you are interested in learning of the progress of American Friends of Durrell, please fill in the information above and tick the box above the American flag.
