

University of Michigan Dearborn

Department of Behavioral Sciences

Perception of Dynamic Activity

This study is being conducted as part of a class exercise for PSYC 465, Experimental Psychology. The instructor is Dr. Arlo Clark-Foos.

- You must be 18 years of age or older to participate.
- All information gathered will be used only in aggregate form. We are not interested in individual responses but only in groups.
- Your responses are confidential and all records of your participation will be deleted once data are analyzed.
- If you do not wish to complete the study, you may stop at any point.
- Your participation should take approximately 15 minutes.

UM Dearborn wants to make sure you are treated in a fair and respectful manner. Contact Director of the Dearborn Research Office (irb-dearborn@umd.umich.edu or 313-593-5468) if you have any questions about how you were treated as a study participant. If you have any questions about the study, please contact Dr. Arlo Clark-Foos (313-583-6341).

If you consent to participate in this study and you understand the information on this form, please sign below.
