Lounsbury Lingo

You will notice a wide variety of surname spellings associated with the Lounsbury Tree. The most common spelling is “Lounsbury” though “Lounsberry” and “Lounsbery” are also prevalent. In 99% of researched cases, Canadians and Americans with these surname spellings are linked by common ancestors: Richard Lounsbury and Elizabeth (Pennoyer) Lounsbury of what is now Rye, NY, who were married there in 1670. There are many other surname variations who fit our extended family tree, including Lansbury (though apparently not the famous actress Angela Lansbury), Lainspeary, and Lonsberry.

For simplicity, we use the letter “L” to denote the surname regardless of its spelling. Hence the phrasing “L” Tree at the top of this page.

War of 1812 Land Warrants

The first series of warrants for War of 1812 service were issued under acts of December 24, 1811, January 11, 1812, and May 6, 1812, in which Congress provided that noncommissioned officers and soldiers serving for 5 years (unless discharged sooner), or their heirs, would be entitled to 160 acres of land from the public domain in partial compensation for their military service. Six million acres of land in the Territories of Michigan, Illinois, and Louisiana were set aside for this purpose.

The second series resulted from an act of December 10, 1814, by which Congress doubled the acreage offered to soldiers enlisting after that date. Warrants issued under the act were called Double Bounty Warrants.

About the War of 1812 Warrants:
The majority of the records for the War of 1812 are of original warrants. Warrants 1-2519 under the act of 1812, and warrants 1-79 under the act of 1814 were detached from the original volumes. For these warrant numbers, the warrant stub is provided in place of the original warrant.

Also, the location of warrants 27116-28085 under the act of 1812, and warrants 1077-1101 under the act of 1814 is unknown by the United States National Archives and Records Administration (NARA). They may have been destroyed. However, copies of warrants 27116-28085 from the Veterans Administration are available on microfilmed prior their misplacement and are included in this database.

Warrants usually contain the following information:
- Name of veteran
- Rank on discharge from service
- Company, regiment, and branch of service
- Date warrant was issued
- Usually the date the land was located and the page on which the location is recorded in Abstracts of Military Bounty Land Warrant Locations

Warrant stubs usually include the following information:
- Warrant number
- Name, rank, and regiment of veteran
- Date of location and the citation from the Abstracts of Military Bounty Land Warrant Locations

Note: Warrants issued for War of 1812 service could not be transferred or assigned to another person except through inheritance.

Manuscript Indexes:
Images of manuscript indexes created by the U.S. government for both the Revolutionary War and War of 1812 warrants are included as part of this database.

The Revolutionary War warrant indexes for the first series are called “Index to the Register of Army Land Warrants” and the “Register of Army Land Warrants per Acts of 1796 and 1799.”

- The Index to the Register contains entries arranged alphabetically by the first letter of the surname of the warrant holder who registered and located his warrant on land in the U.S. Military District of Ohio between 1799 and 1805. Entries give the warrant number, the number of acres shown on the warrant, and the page number in the register where the name of the veteran or of the warrant holder is cited.

- The Register of Army Land Warrants contains entries arranged chronologically by date of warrant registration from April 11, 1799, to March 20, 1805. Entries give the registration date, the name of the patentee, and the name and the service rank of the warrantee.

The Revolutionary War warrant indexes for the second series (issued under the acts of 1803 and 1806) are called “Index to Revolutionary War Military Bounty Land Warrants Issued Under the Acts of 1803 and 1806” and the “Register of Military Land Warrants Presented at the Treasury for Locating and Patenting, 1804-1835.”
Entries in the **Index to Land Warrants** usually indicate the veteran’s name, warrant number, and the act under which the warrant was issued, and may contain a cross-reference notation to the scrip application number.

Entries in the **Register of Military Land Warrants** are arranged chronologically by date of warrant registration, 1804-1835. Each entry provides the registration date, the name of the person presenting the warrant for registration, the warrant number; the name and the service rank of the warrantee; the number of acres shown on the warrant; the location of the warrant by lot, township, and range in the U.S. Military District of Ohio; the date on which a patent for the land was received; and to whom the patent was delivered.

There are four manuscript indexes which apply to both series of the **War of 1812** warrants. These indexes are:

1. **Alphabetical Index of Missouri Patentees** - Entries arranged alphabetically by name of patentee and include date of patent, warrant number, warrantee’s military rank, company in which served, and legal description of the land.

3. **Partial Index of Illinois Patentees** - Only contains surnames beginning with “C” and “D”. Entries include veteran’s name, company, and regiment of service, warrant number, and Abstract citation.

4. **Index of Patentees Under the Act of 1842** - Entries are arranged alphabetically by first two letters of surname of patentee and include GLO patent book citation, legal land description, and warrant number.

**How to Use This Database:**

The following information has been keyed from the manuscript indexes just described and can be used to search this database in the above search template:

- Name of veteran/warrantee
- Warrant Year
- Warrant Number

The Warrant Number has also been keyed from the actual warrant record. In most cases, performing a search through the search template will yield results with links to images of both the index and the warrant, identified by the corresponding Warrant Numbers.

You may also browse this record collection and locate a particular individual by first finding them in one of the indexes and then using the Warrant Number and other information listed in the index to locate them in the appropriate set of warrant records.

Not all individuals who were granted military land warrants will be found in this collection. Warrants that were never surrendered by the veterans, their heirs, or assignees are not included in these records.

**Abbreviations and Translations:**

The following abbreviations and Latin words may be found in these records:

- **et** = and
- **et al** = and others
- **hr** = heir
- **hrs** = heirs
- **ux** = wife
- **uxor** = wife

In an earlier edition of the Tree we inserted the first five generations of the L-b-y line from Richard the immigrant as we knew it at the time. From time to time it is my intention to insert other lines of descendants from that time leaving out those who may still be alive. With apologies to those who contributed I am leaving out most sources and citations in the interest of brevity. If you wish more documentation with respect to the sources or if you have corrections or additions please do not hesitate to contact the editor. Epenetus is actually of the fourth generation from the immigrant and is the ancestor of Albert Lounsbury, esteemed former editor of the Tree and who also contributed so much to the family history and two of the international reunions and the reunions of his immediate line.

If you have pictures, stories, etc. that can add to this please send them to me or to the blog.

DALE HAWKINS LANSBERRY, 68 FALLBROOK -- Dale Hawkins Lansberry, 68, passed away Wednesday, December 10, 2008 of cancer at his Fallbrook home. He was born Dec. 16, 1939 in Van Nuys, California to Leonora and Ai Lansberry. He attended Van Nuys High School and Valley College where he successfully competed in gymnastics and specialized in rope climbing. He also entered upon the Southern California boat racing scene where he purchased and raced a wood flat bottom boat named "Sizzler." In the 1960's, Dale worked for the City of Los Angeles where he discovered his lifelong career of land surveying. After a number of years working for the city, he grew tired of government inefficiencies and his ambition led him to the private sector. Moving to Fallbrook with his family in 1973, Dale became a Licensed Land Surveyor and started his own surveying business. He surveyed many North County properties and was well respected by contractors and homeowners for his ability and desire to help them with difficult projects. He was still surveying until and beyond his cancer diagnosis in the fall of 2008. Twenty years after selling "Sizzler," Dale happened by its sister boat "Shockwave" rotting and for sale on a Fallbrook street corner. His passion reignited, he purchased it and spent years on its restoration. Its beautiful wood deck rivals any fine furniture and coupled with a powerful V8 engine it's a sight to behold. Complementing the boat is a custom-built hardwood trailer he fabricated from scratch and which receives almost as much attention as the boat itself. During the past few years he showed it locally at Hot Summer Nights and raced in vintage boat races around the west. Dale was a very social person and enjoyed meeting new people and old friends. His thundering voice, rambunctious attitude and mischievous grin were his trademarks. At his request, no services were held as he preferred for people to remember him while enjoying their own favorite activity. During his brief fight with cancer, he showed remarkable grace, was thankful for the life he had led, and expressed no regrets. Dale is survived by his wife, Maria Lansberry; son, Chad Lansberry; daughters and sons-in-law, Holly and Keith DeCuir of Fallbrook, Barbara Holder and Marco de Carvalho
of Seattle, Washington; brother, Don Lansberry of Kaysville, Utah; sister, Marion Stamas of Ravenna, Ohio; grandchildren, Connor, Max, and Roxanne; and many nieces and nephews.

HELEN LOUNSBERRY JOHNSON, 90, passed away on January 2, 2009 after a brief illness. She most recently enjoyed Thanksgiving by being with two of her great-granddaughters. Her husband, C. Rodney Johnson, preceded her in death only four months earlier.

Helen was born and raised in Marshalltown, IA. She was the fourth of five children. Her siblings were Irene Mowry and Clara McCann, both of Marshalltown, Mary Adams of Indianapolis, IN and Harold Lounsberry of Davenport. Helen was the last surviving sibling of her generation and only her sister-in-law, Ruth Lounsberry of Davenport, survives her.

Helen graduated from Marshalltown High School in 1936 and Iowa State University in 1942. She taught Home Economics for 2 years. When her mother became an invalid from a stroke, she and her sisters would rotate returning home to provide her care for many years. Helen met C. Rodney Johnson of Lamoni while in college. They were married during the war and afterwards made homes in Ames, Des Moines, Clarion, Overland Park, KS, and retired in Holiday Island, AR. Their final years were spent in a Kansas City area retirement complex where they received excellent care and companionship.

Helen had three sons, Randy of Overland Park, KS, David of Delano, MN, and Stewart of Libertyville, IL; four grandsons, and three great granddaughters. Helen devoted her life to raising her children, supporting the Presbyterian Church, and being active in professional organizations. She had a bright, cheerful smile for everyone. She was generous, brilliant and a voracious reader.

Helen will always be remembered by her family and friends. God blessed us with her presence, and we pray she is peacefully reunited with her loving husband of 65 years which is what she wanted.

Marilyn L. (Smith) Lounsberry passed away with her husband at her side at the Story County Long Term Care facility in Nevada from a stroke at the age of 82. Funeral services were held Saturday, March 14 at the First United Methodist Church in Nevada with Pastor Steve Williams officiating. Burial was held in the Nevada Municipal Cemetery.

Marilyn was born on November 3, 1926 in Nevada to Marvin and Signa (Phelps) Smith. She was a 1944 graduate of Nevada High School. She had many interests, one being music, so while in high school, she took voice lessons from Mrs. Sapp. Marilyn developed a nice singing voice which she used on many occasions. On leave from the U.S. Navy after World War II ended, she was married to her longtime boyfriend, Ray Lounsberry of Colo on August 31, 1945 at the First United Methodist Church in Nevada. Marilyn was such an avid reader, she would check out books from the local library, but her favorite book was her Bible, which she read cover to cover twice. Having had only one year of college, Marilyn had a great desire to become an elementary teacher. After her children were in high school, she drove to Drake for three years, missing only 2 days, to get her degree and graduated in 1969. She was soon hired by Superintendent Keith Tadlock to teach elementary school in Colo, which she dearly loved. When one of her fourth grade classes which she had taught, graduated in 1984, she was thrilled when they asked Marilyn to be the speaker at their commencement.

While wintering in Arizona for 12 years, Marilyn adored hiking with friends in the Superstition and surrounding mountains. In 1977, she and Ray joined a hiking group in Iowa City and traveled with 12 other hikers and flew to Tanzania, Africa and made it to the top of Kilimanjaro, approximately 19000 ft. JAMES AND LUCINDA LOUNSBERRY/LOUNSBURY/LONSBURY

Who were the ancestors of James Lounsberry and his wife Lucinda? In the 1871 Canada Census, for Hay Township, Hurion County his birth place was listed as the USA, about 1803, occupation: cooper (barrel maker) and religion as Wesleyan Methodist.

His known children are:
- Mary J. Lounsberry born about 1830
- Betsy born about 1833
- Eliza born about 1837
- Sarah Jane born about 1843, in Woodstock, Oxford County, Ontario

Mary Jane married John W. Melick on October 22, 1850, in Blenheim Township, in what is now Oxford County. Sarah Jane married George Wilson on January 2, 1860 in Huron County, Ontario, Canada.

Might there be a connection between these Lounsberries and the following people who were also in Oxford County?

James Lounsberry who married Harriett Arnold on December 9, 1849 in the Brock District. Part of the Brock District was Oxford County. The witnesses were Hannah Van Valkenburg and Henry Van Valkenburg. James and Harriett lived in Norfolk County, Ontario and Elgin County, Ontario. But later moved to Saginaw, Michigan. It is possible that the Van Valkenburgs were Henry Van Valkenburg who married Hannah Lounsberry on March 8, 1868 in Zorra Township of Oxford County, Ontario.
